Dear Colleague

Please find attached the following documents:

FIGO Essential Interventions for Maternity Care in Low Resource Countries

FIGO/ICM Joint Statement on the Prevention and Treatment of Post-partum Haemorrhage:
New Advances for Low Resource Settings

WHO/FIGO/ICM Joint Statement on Making Pregnancy Safer: the critical role of the skilled attendant

Dr Andre Lalonde, Chair of the FIGO Committee for Safe Motherhood and Newborn Health, members of the Committee, and all of us at FIGO would urge you to use these resources to support and promote the development of maternity care in low resource countries and to disseminate the information as widely as possible both within and outside your society.

Thank you in advance for your assistance.

Hamid Rushwan
Chief Executive – FIGO
